November 12th- No School
Veteran's Day
November 14th- Early Release 2:10PM
November 21st- November 23rd- No
School- Thanksgiving Break

Our Learning

Dear Families,

We had another short, but wonderful week in Kindergarten! Thank you to everyone for coming to conferences. I enjoyed updating you on your student's progress and speaking with each of you.

This week we will continue learning how to correctly form and sound out the letters qu, continue topic 3 in math on numbers 6 to 10, complete chapter 7 in religion discussing God's Promise to Noah, begin investigating weather in science, and complete activities in language arts.

Have a wonderful week!

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h, s and qu. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺

Reminders

Our Canned Food Drive has begun! Please start bringing in those canned food items to support St. Vincent de Paul. This is the Kindergarten Service project for the year. The canned food drive will go from November 1st to November 20th. There will be labeled boxes in the main office with each grade to place your canned food. If you own a business and would like to help support us, Margaret, Jacob's mom, designed some WONDERFUL flyers I can give out! We could use some volunteers to help count cans in the morning. If you are available to help please contact myself or Tisha Sparks.

Just a housekeeping reminder to please continue to read the newsletter and reminders each week. This will update you on upcoming events and everything we are doing in the classroom. ☺

The November volunteer calendar went home today. Let me know if you would like to volunteer or need to change the date you are signed up for.
