Reminders

Please do not forget to send a small, healthy snack each day for our morning snack. Please remember we are a NUT FREE school so take the time to check your labels. Some ideas are crackers, fruit, gold fish, apple sauce, etc.

Please take the time to read my newsletter each week along with the Family Email. It will be emailed out Monday afternoon. This will inform you of what we are working on in the classroom, upcoming events, and other notes. If you have any questions on this please let me know!

Please drop your student off in the gym Friday and then pick them up according to parent pick-up, waiting, or aftercare.

Our Learning

This week we will focus on getting to know one another and becoming familiar with our school. We will begin learning our Schoolwide Learning Expectations and begin to meet the teaching staff at the school. I am looking forward to a great first week! I would like to offer a little piece of advice for drop off in the mornings. If your student is having a hard time with the drop off it helps to give your student a big hug, reassure them that you will see them after school, they are safe, and then leave the classroom/gym. Students usually get comfortable right away once the parents leave. They are in good hands, I promise 😊
