Our Learning

Our theme this week will be Penguins! We will focus on chapter twelve of Faith First, our religion curriculum. We will explore how Jesus is our Teacher. We will begin topic six in Envisions math. This topic covers numbers to 100. Our letter of the week is p. We will also complete whole and small group reading, and continue exploring weather and penguins in science. Please continue to work on the rainbow words at home and read every night! If you have any questions, as always, please feel free to ask! ☺

Reminders

When going through the book bags on Monday Mornings it is super helpful to have the reading list filled out and in the bag. This way I know which books your kiddos have read and I do not repeat books. If you can do me a huge favor and start filling out the book list, just once for each book and keeping the list in the bag that would save me a lot of time. I will send home a new list today with each student! Thank you!

Please continue to make sure your child has a coat each day. They do play outside, even when it is raining and cold. We want to keep them warm!

We are getting low on snacks. If you would like to donate we could use some more for our afternoon snack. Some ideas are crackers, goldfish, applesauce packets, etc.

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h, s, qu, b, e, l, j, k, l, n, m and p. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺
