2:10PM

February 13th- Valentine's Box
Due

February 14th- Valentine's Day

February 15th- 100th Day
Celebration 9:30am

Our Learning

Our theme this week will be Valentine's Day and the 100th day of school! We will focus on the Valentine's Day chapter of Faith First, our religion curriculum. We will continue topic seven in Envisions math. This topic covers Understanding addition. Our letter of the week is w . We will also complete whole and small group reading, and complete many Valentine's Day and 100th Day of school activities. We will also complete a special heart related science experiment. Please continue to work on the rainbow words at home and read every night! If you have any questions, as always, please feel free to ask! ☺

Reminders

Do not forget to bring your Valentine's Day box in by Wednesday!

Aimsweb and Star winter scores were sent home today in an envelope. If you have any questions regarding these please let me know.

THANK YOU to everyone who offered to bring treats in or volunteer for the 100th day celebration! Your continued support is truly what makes CTK the community it is. I appreciate each and every one of our families.

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h, s, qu, b, e, l, j, k, l, n, m, p, r, t, u, v and w. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺
