☺

## Our Learning

Our theme this week will be Dr. Seuss and we will continue to discuss American Symbols! We will complete topic seven in Envisions math. This topic covers Understanding Addition. Our letter of the week is y. We will also complete whole and small group reading, and discuss American symbols in social studies. In Religion, we will complete chapter 16 discussing how we Thank God at Mass. Please continue to work on the rainbow words at home and read every night! If you have any questions, as always, please feel free to ask! ☺

## At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out the letters a, c, d, f, g, o, h, s, qu, b, e, l, j, k, l, n, m, p, r, t, u, v, w, x and y. We do not learn the letters in alphabetic order. Please make sure your child is beginning their letters at the top of the line, not the bottom ☺
