Upcoming Events

March 20th- Early Release
2:10PM

March 21st- Free Dress for
Whole School

March 22nd- Noon Dismissal,
No Extended Care

Reminders

I am looking for a home for Little Blue during Spring Break. If you will be home and would like to take him for the week please e-mail me! 😊

The class could use 10 boxes of 24 count Crayola crayons if anyone would like to donate. I am going to give the kiddos a new box right after Spring Break and I am short. Thanks!

Wednesday's lunch will be in the classroom. There will be no access to a microwave. A cold lunch option from Trio is available and will be brought over.

Our Learning

This week we will complete topic 8 in Envisions math. This topic covers Understanding Subtraction. We have finished learning how to sound out and correctly form all the letters. For the next week, we are going to go back and practice the ones that are difficult or I feel need extra practice. This week we will practice p, y, t, and a. We will also complete whole and small group reading. In Religion, we will complete chapter 18 discussing how The Holy Spirit Helps US and we will also continue discussing Lent. Please continue to work on the rainbow words at home and read every night! If you have any questions, as always, please feel free to ask! 😊

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out all of the letters! Please make sure your child is beginning their letters at the top of the line, not the bottom 😊
