April 22nd- No School, Easter Monday

Our Learning

This week we will complete Topic 9 in Envisions Math. This topic covers Composing and Decomposing Numbers to 10. We have finished learning how to sound out and correctly form all the lower case letters. This week we will continue learning how to correctly form capital letters. We will also complete whole and small group reading. In Religion, we will complete chapter 21 discussing The Good Neighbor and also continue discussing Lent and Easter. Please continue to work on the rainbow words at home and read every night! If you have any questions, as always, please feel free to ask! 😊

Reminders

Please remember that all snacks and lunch items must be NUT FREE. We have been seeing a lot of snacks that contain nuts. Anything that reads "May contain nuts" on the label is not allowed.

Tomorrow we will be celebrating Brian Kempster who does all the maintenance for the school. We made cards in class today. We would love to get him a special gift card for all of his hard work. If you would like to contribute \$1 you can bring it to me or Alex in the morning.

It was a very sad day in Kindergarten. Our beloved pet fish Little Blue passed away last night. We talked about how much we will miss him and gave him a little funeral today. Your kids may talk about it tonight and this week. They would like a new red fish 😊

At-Home Practice

For at home practice each night please read for at least 10 minutes using the books in your students book bag, practice the rainbow sight words, and practice writing and reviewing the Riggs flash cards. We have learned how to correctly form and sound out all of the letters! Please make sure your child is beginning their letters at the top of the line, not the bottom 😊
