

PTA Publicity Form for 2019/2020

September 2019

Dear Parent/Guardian:

St. Gregory the Great Academy will highlight activities and accomplishments of our students and faculty in various external media outlets. It will be our policy NOT to publish the addresses of our students, but to periodically send press releases and photos to local media newsfeeds/publications and to use these images in school development materials. We will also post these photos to a secure Shutterfly share site that only registered SGGA parents and staff can view. We may also include them on our closed group PTA Facebook page. Additionally, throughout the school year, many photos from school Masses, events, holiday parties, awards and functions will be added to the Shutterfly photo-sharing site and/or the PTA Facebook page. (See following pages for new family Shutterfly/Facebook member information.)
