From: Ann Marie Sepcic

Lunch Coordinator

Subject: New School Year Cafeteria Notes

- All children have lunch accounts (not lunch cards). If you're a student at SGGA, you have a lunch account. It is decision per the family if they choose to add money to the lunch account. A lunch card will be made when the account has money on it.
- Children are permitted to charge snacks to their lunch accounts. **PLEASE** make sure you discuss this privilege with your child/children if this works for your family. If your child/children are not permitted to charge anything to their lunch account, please email me. I will do my best to monitor the situation.
- Any child who has an outstanding balance in excess of \$8.00 will not be permitted to charge lunch or snacks. If this occurs, a child will not be denied lunch. He/she will receive a cheese sandwich and a bottle of water. Emails with outstanding balances are sent out almost on a daily basis.

If you have any questions, please contact me at asepcic@stgregorythegreat.org.

Thank you.
