WCspecialsports@gmail.com | Ph: 609-393-5855

ALL kids ages 5-18 are encouraged to participate to the best of their ability in this triathlon which includes 20 minutes each of swimming, cycling and running. Swimming will take place at the Schafer Sports Center indoor pool, biking and running at the adjacent municipal fields. The event will focus on kids giving their best effort to complete all 3 events independently or with assistance from a parent/guardian as needed. All participants will receive a t-shirt and medal to recognize their efforts. Our intention is for all those involved to feel welcome and included and to HAVE FUN!

About US

We Care Special Sports is a 501c3 non profit organization focused on providing free to low cost programming for special needs kids and their families. Donations are appreciated and tax deductible.

For more information on how to get involved, volunteer or donate please check us out at wcspecialsports.org.
