## **2018-2019 Registration Process New & Returning Kindergarten - 8<sup>th</sup> Grade Students**

Welcome to St Mary School! For new and returning students entering grades Kindergarten through 8<sup>th</sup> Grade, St. Mary School has begun using TADS Tuition Management System for online registration and tuition payments.

If you have a child you want to enroll in Preschool or Pre-Kindergarten, please contact the office to have an application sent to you.

TADS will be your go-to place to pay all tuition and itemized fees in the form of a household portfolio. Schools and families will have real-time access to this information 24/7.

The TADS link to register new and current students is located on the St Mary School HOME page at [stmaryschooldekalb.org](http://stmaryschooldekalb.org), under *Important Links for Parents and Students*. Click on *2018-2019 TADS ONLINE REGISTRATION* to access registration and to make online payments.

If you have any problems accessing the website, feel free to contact the school office for assistance at (815) 756-7905.

---

***We look forward to having you and your child join our  
St Mary Catholic School family!***
