**QUOTE FROM POPE FRANCIS**

In mission, also on a continental level, it is very important to reaffirm the family, which remains the essential cell of society and the Church; young people, who are the face of the Church's future; women, who play a fundamental role in passing on the faith and who are a daily source of strength in a society that carries this faith forward and renews it. Let us not reduce the involvement of women in the Church, but instead promote their active role in the ecclesial community. If the Church, in her complete and real dimension, loses women, she risks becoming sterile. *Aparecida* also highlights the vocation and mission of the man in the family, in the Church and in society, as fathers, workers and citizens. Let us take this seriously! (7/27/13, Brazilian Bishops)

**Liturgy of the Word:**

The Liturgy of the Word is not just words directed only one way-at us. We also have a chance to express, in song and prayer, what the words mean to us. After the first reading, we sing a Responsorial Psalm. Psalm is the Hebrew word for "song". The response serves as a reflection on the reading by picking up a word or idea. It should be sung, and many parishes choose a song that reflects the mood or text of the psalm.

**Liturgia de la palabra:**

La liturgia de la palabra no es sólo palabras dirección sola manera-nos. También tenemos la oportunidad de expresar, en canción y oración, lo que las palabras significan para nosotros. Después de la primera lectura, cantamos un salmo Responsorial. Salmo es la palabra hebrea para "canción". La respuesta sirve como una reflexión sobre la lectura, escogiendo una palabra o una idea. Debe ser cantado, y muchas parroquias eligen una canción que refleja el estado de ánimo o el texto del Salmo.

**Sunday's Reflections**  
*Ephesians 2:13-18*

**THE PATH TO PEACE**

Forgiveness can be hard to achieve. If you have broken a relationship that you wish could be restored, you know the longing for reconciliation.

In some cases, you may not even seek reconciliation. You may still be angry over an injury committed against you, your home, or someone you love. You may wonder how one nation could ever reconcile with another after being at war. The death and destruction caused by war lies beyond imagination; healing seems unreachable. Then forgiveness seems not only hard—it seems impossible.

In the first century, the separation between Jews and Gentiles was severe. The Letter to the Ephesians called it a "dividing wall of enmity." It seemed as though the two groups would never agree, never get together, never heal the old wounds.

But then came Jesus, who suffered and died so that everyone might have life. Ephesians says, "He is our peace, he who made both one." Through the cross, Christ put death to death, but he also put enmity to death. "He came and preached peace to you who were far off and peace to those who were near, for through him we both have access in one Spirit to the Father."

Forgiveness may seem unreachable, but all things are possible with Christ. He provides a middle ground where hope is alive and peace is real. Those who listen to his message and heed his words are already on the path of reconciliation.
