Dear brothers and sister in Christ,

As you read this letter, much ground work is being laid for the foundation of our **successful Fall Festival**. This is our time to celebrate our community in Christ by putting on the Fall Festival. Thanks to everyone who is working together behind the scenes to help lay a good foundation.

We are blessed to have Arthur and Cruz Olague serving as chairpersons. They do an awesome job coordinating all the workers. Many hands make light work, so thanks to each one of you who is lending a hand. Please call them at 935-3042 to offer help.

I am really encouraged that you support the Fall Festival with your volunteer hours and monetary contributions. This is a visible sign that our Faith community is working together to promote our Catholic Faith.

Keep up your good work!

Please pick up your raffle tickets. This helps make our Fall Festival a success.

The love of Christ urges us forward!

November 1 "When we elect our lawmakers in America, we influence the moral character of this nation for better or for worse. When our laws permit violence against little babies, incidents like the Columbine High School shootings are the logical outcome." Since 2001, we have had a partnership with the Diocese of San Pedro Sula. Recently, that diocese was divided in half, the new part called the “Diocese of La Ceiba.” We are in partnership with both dioceses now—the same amount of territory and people—and so the collection will be divided between both.

Sunday's Reflections
1 John 3:1-3

NOT REALLY PLACE, NOT REALLY TIME

We believe in life after death, but we cannot put into words what it will be like. Every time we try, our descriptions come up short.

If we say, "It will be a special place," we use an inaccurate word: place. Heaven will be more than a place. It is not a place like a planet or star, for that would make it finite. It is infinite, not located.

If we say, "It will be a special time," we use an inaccurate word: time. God lies beyond all time. Time has limits, but God is infinite.

Eternal life lies beyond what we can describe. Even Saint John struggled with the right words: "We are God's children now; what we shall be has not yet been revealed. We do know that when it is revealed we shall be like him, for we shall see him as he is."

John chose other descriptive words like "children" and "being like God." In eternity we will have a special relationship with our creator. It will be wonderful, but it is hard to describe more.

Today is All Saints Day. We celebrate all the saints who have passed beyond the doors of death and have become more than God's children. They are like the God they see.

We learn from their example in life. We aim to share their glory in heaven. That is the inheritance of the children of God.
