Dear Holy Trinity Catholic Parishioners,

I want to extend a big thank you to everyone who worked so hard to make our summer festival a success!

It takes so many people to make everything work smoothly from Arthur and Cruz Olague, the Festival Chairman, the many dedicated cooks, the Youth Group who created and attended the booths, those who worked the booths including the Bingo, those who washed dishes, tables and mopped the floors, and all those who sold raffle tickets, and all those quiet small chores that no one saw except Jesus.

Also, a thanks to those who came to enjoy the festival and support the church with your kind contributions of money. Your efforts helped to build the Catholic Faith in Howard County. This is so important in passing on the Catholic Faith to our children and grandchildren.

May God Bless from his storehouse of riches!

Monsignor Bernard L. Gully

June 19 In the aftermath of abortion, the choice for fathers of aborted children is to either accept the biological reality of their fatherhood and grieve the loss and seek forgiveness, or to continue denying what is inwardly known and swell the ranks of hollowed men. (Vincent Rue, Ph.D., in pamphlet titled "The Hollow Men," USCCB, Secretariat for Pro-Life Activities)

For all fathers who are faced with an unexpected pregnancy, that they may have the courage to protect the right to life of their unborn child, we pray.

INFLAME OUR HEARTS

O God, send your Spirit into our midst that he may enlighten our minds and inflame our hearts, that he may give us a right faith, a certain hope, and a perfect charity. In this way, through this Spirit, we pray that we may be able to understand the Word of God given to us in the Scriptures.

Sunday's Reflections
Galatians 3:26-29

EQUAL RIGHTS

Equality means you accept others as your equal, and you claim for yourself a position equal to others. Both are essential.

In the eyes of God, all human beings share dignity. Females are equals to males. Turks are equals to Americans. Blacks are equals to whites. The poor are equals to the rich. No matter which group we belong to, we share dignity with every other one.

God looks lovingly upon you and upon the neighbor who gets on your nerves. God appreciates the work you do, as well as the work of your rivals. God likes your school, as well as the one in the next town. If God can love all of us, it should not be too hard for us to love one another.

It also should not be too hard for people to love us. Some of us go under-appreciated for the work we do, the love we share, and the people we are. It is hard to convince others that we are equals. It goes easier if we have first convinced ourselves.

St. Paul told the Gentile Christian converts in Galatia that they were not second-class citizens to Jewish converts. They were equals. "There is neither Jew nor Greek, there is neither slave nor free person, there is not male and female; for you are all one in Christ Jesus. And if you belong to Christ, then you are Abraham's descendant, heirs according to the promise."
