PERSONNEL CHANGES

July 1, 2016

As I explained Sunday in my homily, Holy Trinity Catholic Church is being led by the Holy Spirit in a new direction. This new move of the Holy Spirit is both exciting and at the same challenging!

Beginning September 2016, we will have a Parochial Vicar (Assistant Priest) Father Sam Matthieson. He will help to meet the needs of our parish. A second priest will add a cost to payroll in the amount of \$45,000.00 a year, about \$4,000.00 per month. I believe that you can help with this increased cost of payroll by increasing your generous church donations.

I know that Fr. Matthieson will bless us all with his wonderful vocation to the Priesthood. We are making sacrifices in the office by reducing payroll to help the increased cost.

Isabel, our long time receptionist, is no longer with us. We will use those savings to offset partly the above increased cost. There will be other changes with employees this budget year to save more money.

I am very grateful for the dedication and hard work that Isabel gave to the church in Howard County. She has been a super employee and served us well!

Please pray for each other as we follow the Holy Spirit in this new direction for Holy Trinity Catholic Church. I am confident that we will continue to flourish and grow as a parish.

Msgr. Bernard L. Gully

Pro-life Hotline...1-800-395-HELP

July 3 Every voice matters in the public forum. Every vote counts. Every act of responsible citizenship is an exercise of significant individual power. We must exercise that power in ways that will defend human life, especially those of God's children who are unborn, disabled or otherwise vulnerable. We get the public officials we deserve. Their virtue- -or lack thereof- is a judgement not only on them, but on us. Because of this, we urge our fellow citizens to see beyond party politics, to analyze campaign rhetoric critically, and to choose their political leaders according to principle, not party affiliation or mere self-interest. OUR LADY'S GARMENTS

When violence and suffering threaten to overwhelm us, we must pray for the grace to be such beacons of hope and goodness in a fallen world. By working to restore hope through the daily choice to forgive and live in love, we take a bold stand against the culture of death.

Sunday's Reflections

Galatians 6:14-18

SCAR TISSUE

"Would you like to see my scar?" We hear this question from some people who have had surgery, scraped the road from their motorcycle, or suffered a wound in war. Sometimes they are more anxious to show it than we are to see it.

The reverse happens too. We would like to see a scar, but the person—for private reasons—chooses not to show it.

We all carry scars. Some are physical and quite visible. Others are well concealed. Some scars are emotional. They make themselves known even when we wish they did not. And some of our scars make us who we are. They are signs of our resilience, of the ill-intent of enemies, of moments of foolishness, or times of unimaginable bravery. For some of us, our biography is the story of our scars.

St. Paul tells the Galatians, "I bear the marks of Jesus on my body." Paul had his share of physical and emotional pain, and he carried scars. They were not signs of hurt and pain, not signs of foolishness or bravery, not signs of illness or treachery. They were signs of Jesus. Because of Jesus, Paul endured all things. His scars told less about the tenacity of Paul, and more about the faithfulness of Christ.

Where are your scars? What do they represent? Who do they represent? Do you conceal them? Or do you ask, "Would you like to see my scar?"
