SEEDS OF HOPE

I am beginning to think that in
our time we will correct almost
nothing and get almost
nowhere: but if we can just
prepare a compassionate and
receptive soil for the future, we
will have done a great work.
Every minute life begins all
over again. Eternity is in the
present. Eternity is in the palm
of the hand. Eternity is a seed
of fire, whose sudden roots
break barriers that keep my
heart from being an abyss.

Merton: A Divine Passion in
Word and Vision

Sunday's Reflections

1 John 4:7-10

WHERE LOVE COMES FROM

Who can explain love? One day you meet someone, and your heart is filled with a love you never knew was in there. Where does it come from? How did it get there? What prompted it to come out? Why does it feel this way?

Love warms us like nothing else. It inspires us to be good to others—and not just to the person we love. The love we have for one person is so great that it spills out in our actions and attitudes toward others. You become a more loving person to all because you became a loving person toward one.

Love comes from God. God is love. God loved us first before we loved any other person and before we loved God. John writes, "Love is of God; everyone who loves is begotten by God and knows God." When we love someone—whether or not we realize it—we are experiencing God. God loves first.

Some people have another experience of God. They imagine God as an angry, authoritarian figure. Or they go to church and find God—well, boring. John suggests the problem might not be with God. It might be with us. "Whoever is without love does not know God, for God is love."

It takes time to get to know God. But if we take time, we will experience love. Then we'll know where love comes from.
