TO LOVE GOD, OUR TRUE GOD

Charity has as its close relatives joy and peace. Joy is born of happiness at possessing what we love. Now, from the moment at which the soul knows God, it is naturally led to love him. If the soul follows this natural impulse, which is caused by the Holy Spirit, it is already loving the Supreme Good. This fortunate soul...possesses the beautiful virtue of love. By loving God the soul is certain of possessing him. When a person loves money, honors, and good health, unfortunately he does not always possess what he loves, whereas he who loves God possesses him at once.

Sunday's Reflections
James 5:1-6

ILL-GOTTEN GAINS

Most of us own more than we need. Our closets, garages, and basements are filled with purchases once deemed important, now in disarray. Our wardrobe includes garments we haven't worn in years, clothes that would not fit anymore, or that are no longer in style. We have multiplied the televisions and cars in every home.

If you had it to do again, could you have put the money elsewhere? Could you have shared a lot more with those who have a lot less?

The Letter of James goes after the rich, painting a gloomy picture of their wealth: "Your wealth has rotted away, your clothes have become moth-eaten, your gold and silver have corroded."

The real problem with the rich of his day was their ill-gotten gains. They withheld wages from the workers who harvested their fields. They condemned and murdered the righteous who offered no resistance. The rich lived in luxury at the expense of the poor.

The gap between rich and poor is still a scandal. But even in the middle, more can be done among people who consider themselves comfortable, though not necessarily rich. Our possessions weigh us down. Our gifts can lighten the load of the poor.

How do you receive your income? Do some people suffer because of the work you do? Is your income your own possession? Or are you stewards of God's bounty for the benefit of others?
