Need volunteers to contact Stephen Ministry, VBS and Festival for feedback from April's and June's Spotlights.

Ministry Fair - tabled until Vision Team process is completed

Open Floor –

- Old business – question about saying prayer for vocations at Mass tabled pending follow up with Father Larry
 - Cathy updated that we just need to keep it about all vocations
 - Definitely could add a vocations corner to newsletter
- Followup about ministries for older working single adults in parish – any info on the Divorced/Separated group from 2012-13?
 - Cathy shared that the group was more of a multi-week program than a ministry. Emailed all the addresses that she found in the file but all bounced back except one which she never heard from. Talked to Jim Crosby who worked on staff and ran it and he gave her the update that it was a program that they successfully completed a few rounds of.

Closing Prayer
