ST. VALENTINE - FEBRUARY 14

St. Valentine (3rd Century AD) was a holy priest and bishop who lived during a time when Christians were not welcomed in the Roman Empire. He helped many who were imprisoned or were hiding from the Roman soldiers. In the end, St. Valentine himself was captured and killed for his faith. He died on February 14, which became known as St. Valentine's Day. This day became a lovers' holiday because it was said that St. Valentine was killed for marrying Christian couples.

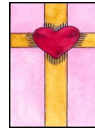

PRAYER: Dear Lord Jesus, despite risking his life, St. Valentine brought Your love to others. Show me how to love God and everyone. AMEN.

Happy Birthday
