Christian stewardship begins with God at the center. When stewardship revolves around any other center, it is misconceived. The institution of the church is an inadequate substitute for the incarnate body of Christ. The church as institution is a means to the end of the church as the fellowship of all believers. Stewardship is servanthood to God through the church, not to the church institution.

Summer time is not the time to take a vacation from God. Whenever you are traveling, you can find Mass times and locations of any parish in the country by going to www.masstimes.org.

Sometimes getting up in the morning can be the hardest thing you'll do all day. When life's worries press down on you and take your soul hostage, the most important thing you can do for yourself is turn to God. He will always be there for you, through the good times and the bad. *anonymous*
