Kabale Diocese – Next Week's Visiting Mission Priest

Kabale Diocese is one of the 19 dioceses of Uganda, situated in the rural extreme southwestern corner of the country—about 280 miles from the capital city (Kampala). The diocese borders Rwanda on the South West and the Democratic Republic of Congo on the Western side, and serves a population of 1,500,000 people, of whom approximately 700,000, are Roman Catholic.

Purpose of the appeal

The purpose of my request is to seek financial support toward the development of Rushoroza Health Center for the rural poor. Through the gracious generosity of many, we have managed to complete Phase 1 of the project (outpatient health unit). We are seeking assistance toward Phase 11—construction of children's ward, labor and delivery unit, and emergency room. Healthcare is our most critical challenge as we continue to grapple with tropical life-threatening diseases such as malaria, typhoid, HIV/Aids, TB, among others. Long term the health center will also provide most needed diagnostic services as well. Our patients have to travel all the way to the capital city of Kampala (280 miles away) for disease diagnosis.

We are also seeking assistance for our long-term Kabale Diocese Orphaned and Vulnerable Children Program. Through our foster home care program, we provide out-reach support to orphaned children the vast majority of whom have lost both parents and are left all alone to fend for themselves. We provide them with school tuition, clothing, and healthcare. We are currently supporting 386 children out of well over 20,000 greatly in need of help.

Question of the Week for the 15th Sunday in Ordinary Time:

Question for Children: To whom would you announce the Good News about Jesus? Who do you think most needs to hear this message?

Question for Youth: When Jesus sent the disciples out, he was preparing them for the future when he would be gone. How are you growing in your own faith and preparing for a life as a Christian disciple?

Question for Adults: Why do you think Jesus sent them out two by two, rather than alone?
