Adult Faith Formation

Next Week: October 29, 2017 – How Could this Church Survive? Based on his book by the same name, John Fink

will present some of the dark parts of the Church's history, while answering the question by saying the Church must be more than a human institution. John Fink is editor emeritus of the Criterion, the diocesan paper of Indianapolis.

Looking Ahead: November 5, 2017 – If God is so Good, why is there so much Suffering? If God exists, isn't it somewhat surprising that so much evil occurs? We will discuss some reasons that Philosophers and Theologians have suggested for why God might let these bad things happen. Dr. Steven Brown is Associate Director of the Center for Ethics and Human Values at the Ohio State University. Dr. Julia Jorati is Assistant Professor of Philosophy at the Ohio State University.
