FROM THE PASTOR'S DESK

Dear Brothers and Sisters,

I hope you're enjoying the new lighting in the church. Careful planning went into getting the proper shading for our eyes. Too much yellow or orangish tint wouldn't enable us to see our missals, and too much white light would give the church a warehouse look. There are still many "kinks" to iron out – mainly installing a new dimmer box to coincide with the LED lights. Please be patient as we problem solve and hopefully all will be completed by Christmas (sixty-five days!). Daylight savings doesn't end until November 3rd. Have a good week!

God's Peace,
Fr. David

"For the Son of Man did not come to be served, but to serve and to give his life as a ransom for many." (Mark 10:45)

If you held a mirror up to your life, would it reflect God's love and mercy? If you are struggling with this, try changing your attitude from "I want more" to "thank you God for everything you have given me, I have enough to share." This change in perspective will bring you joy through service to others. Learn how to share your gifts and serve others by supporting your parish.
