ABOUT US

Life Remodeled exists to bridge people across divides in order to help transform each other’s lives—investing approximately $5 million in cash, labor and materials into one Detroit neighborhood each year. Projects are determined by the community’s needs and vision. Life Remodeled partners assist in three areas: Remodeling a community asset, repairing owner-occupied homes, and mobilizing over 10,000 volunteers to beautify 300 city blocks in six days.

ST. CLARE

St. Clare Parish has targeted Wednesday August 7 to join other Eastside area churches and community groups to volunteer with the Life Remodeled Project. Please sign-up individually and when asked your affiliation please write in St. Clare Parish. Feel free to come for a half or full day.
