Dear Parents/Guardians:

If your child exhibits any of the following characteristics: ***intellectual capacity, creative thinking, artistic ability, leadership capacity of specific academic areas and who requires extended learning opportunities*** he/she may be eligible for referral for participation in the Gifted and Talented program at TuloSo Midway Middle School. The identification process will take place through December 13, 2018 and consists of the following criteria: ***Last years End of Year averages, STAAR Scores and/or parent/teacher referrals.*** This notice is an attempt to locate students for assessment and qualifying procedures for the Gifted and Talented services program. If you are aware of a gifted and talented student or would like to refer your child, please contact Annette Hinojosa or Susan Marquez in the counseling department to initiate the identification process.

If your child is already participating in the Gifted and Talented (GT) Program, please disregard this letter.

If your child is selected to continue with further testing, you will receive a permission form to complete that gives consent for the additional testing.
