★ Enrollment & Guidelines - Continued ★

Drop Off & Pick Up:

Your child can be dropped off and picked up any time between 7am & 6pm. On days that field trips are planned, please bring your child prior to the scheduled **departure time**.

- ★ Please drive to the south side of the building and ring the bell to enter the door west of the Our Lady of Guadalupe garden (between Ross Hall and the Gym).
- ★ Upon arrival, children need to be escorted into the building and checked in & out each day.
- ★ If there is a custody issue that requires additional attention, please contact the Director.
- ★ When picking up your child, please enter the same door you used for drop off on the south side of the building.
- ★ The names of persons given permission to pick-up your child must be on file with the Director.
- ★ If your child is to be picked up by anyone other than a parent, proper ID is required.

Any changes in the normal pick up routine needs to be communicated, verbally and in writing, to the camp staff.

* There will be a \$15.00 charge per quarter hour that your child is left after 6pm.

Security:

Your child's safety is our number one priority. We have certain procedures and guidelines in place for the staff as well as parents and guests, to make sure that all child are kept safe.

- ★ Parents, grandparents, parishioners, volunteers, guest speakers etc. are always welcome at St. Eugene Catholic Summer Camp. The safety and security of your children requires that all visitors/guests check in with a camp staff member as well as the church office.
- ★ All those visiting must receive a "visitor" badge from the church office. It is necessary to check in with the church office when:
 - You are coming, unannounced, to visit with your child.
 - If you are here as a special guest
 - If you are a family member or friend that is not listed on the Summer Camp registration form.
- ★ If a situation should arise that poses a threat to the safety of either the students or faculty, required security procedures are in place. If you need further explanations of these policies, please ask.
- ★ As required by the Archdiocese, background checks are conducted on persons, either paid or volunteer, with responsibilities involving children.

Medication/Health:

All medical conditions will be treated seriously. It is important that we are told of any serious conditions that may affect the safety or well being of your child upon their first day of camp and this must be listed where indicated on all camp forms.

- ★ If your child has any food or insect allergies or any other medical condition we need to know about, please list them on the medical information form (these forms can be obtained from the Director).
 - If your child has to have an Epi-Pen, please provide this with the prescription and any written list of specific allergies that we need to be made aware of. Also, it is helpful to have a list of items that are acceptable for your child to be around or consume.
- ★ If a child has to take any medication while at camp that is prescribed by a doctor, that medication must:
 - Be in the original container from the pharmacy with child's name, date, frequency of dosage and dosage.
 - Have a Medication Permission Form on the file in the summer camp office with physician's signature.
- ★ Students must have their inhalers with them at all times while on school campus (the early childhood teachers will keep the inhalers for those students who need them).
- ★ All medication will be locked in the camp director's office (with the exception of inhalers & Epi-pens) and a Medication log will be kept.
- ★ Any student, volunteer or staff member with a communicable disease or condition will be considered on a case by case basis in accordance with guidelines set by the Center for Disease Control and / or State Health Dept.
- ★ If your child has any special dietary needs please inform your child's camp staff.

Discipline:

Each and every child is a gift from God and worthy of love. We encourage students to be self-disciplined and responsible. Disruptions are not acceptable and will be handled appropriately, taking into consideration the age of the student.

- ★ For most young children, K-2, time out is effective for most incidents.
 - If the child is disciplined several times throughout the day the parents will be informed verbally or by note.
- ★ The Director reserves the right to assess the situation and if the situation deems necessary further action may be taken, such as:
 - A call to parents may be warranted. In serious situations the child may be asked to go home for the day or until the child's behavior is corrected.

Field Trips:

- ★ All children are transported by bus to the scheduled activities by a licensed driver. Substitute drivers are difficult to find. Please understand that field trips may be cancelled if a qualified, alternate driver cannot be found.
- ★ Field trip costs are included in the summer camp tuition.
- ★ Each family must have a signed permission form on file to attend any activity scheduled off property.
- ★ If you arrive after the scheduled departure time given on the field trip calendar, it is the parents' responsibility to bring the child to the location of the field trip. If you are unable to bring your child to the field trip location, it will be necessary to find alternate arrangements for that day. We are not able to leave any staff members behind to be with children who arrive late.
- ★ Children must wear sneakers/tennis shoes when attending field trips.
- ★ On the day of bowling field trips, students must wear socks.
