

Second Grade Reading List

My goal to you is to read five books this summer. Choose books that fit your reading level. As the summer progresses, practice your reading strategies on something new and a bit more challenging. Please remember to add a sticker to your calendar each day you read.

Here are a few author and series suggestions:

Author

Rylant Poppleton,
Sachar
Sharmat
Osborne
Brown
Park
Adler
di Camillo
Danzinger
Klein
Rodda
Benton

Series

Henry and Mudge, High-Rise Private Eye
Marvin Redpost
Nate the Great
Magic Tree House
Arthur
Junie B. Jones
Young Can Jansen
Mercy Watson
Amber Jones
Horrible Harry and others
Deltora Quest
Franny K. Stein

Also, you might want to try: A. Lobel, S. Hoff, P. Parrish, L. Hoban, E. Minarick, J. Rosenbloom, J. Marshall.

Math

Students are encouraged to spend time throughout the summer reviewing basic math facts. It is the expectation that students will have quick recall (within three seconds) of the facts described below. These types of skills can be reviewed orally with parents, siblings, relatives, etc., on a daily basis. Please practice math facts regularly!

Incoming 2nd Grade students should have mastered basic addition and subtraction facts with sums up to 10.
