#### PLEASE NOTE:

- **Please label everything with your name and grade.** Please specifically label your notebooks and folders for the following subjects:
  - Math
  - Science
  - Social Studies
  - Poetry Journal (notebook only)
  - Religion
  - Reading/Language Arts
  - Seventh notebook to be kept in locker for when needed.
  - Take-Home (folder only)
- Please do not send students in with large material trappers/binders. They are too large and do not fit inside of students' desks. Please do not send students in with hard-covered note card boxes. They fall and break, and therefore, become difficult for the students to keep over the year.
- The tissues and paper towels can be brought in any time during the first week of school. Thank you!
- **Students will need four textbook covers.** Fabric book covers must be the **extra-large size.** Brown paper bags are the best option for book covering!
  - \***Clear contact paper** is asked to be used for the covering of all workbooks. If you are uncertain of which to buy, please wait to purchase it until the first week of school. I can show students a sample. Thank you!
