

Children's Music at St. Anne Parish

The St. Anne Children's Choir is open to all students in 1st grade and older. The choir sings once a month for Sunday morning Mass during the school year. Students enjoy the camaraderie of practicing as a group, and they will also learn about the Mass, the Church year, the Bible, and the music we sing together.

A Children's Handbell Choir is being started this year for those children in 5th grade and older. Music reading and handbell skills will be learned—no experience needed!

These groups also welcome children from other parishes and churches who are interested in participating. Please contact Scott Feldhausen at musicstanne@gtbizclass.com for information.
