St. Anne Buddy Family Program

As this year winds down, we are beginning to look ahead and plan for the 2019-2020 school year and we need your help! We are looking for families who are willing to serve as a “Buddy Family” to our new St. Anne families.

What is a Buddy Family?

What would our responsibility be for the 2019-2020 school year?

- Your family will be paired with a new St. Anne family that has a child entering the same grade as your child or entering a grade that your child has completed in the 2018-2019 school year.
- As a Buddy Family, you will provide your new family with a personal welcome, such as a phone call, to introduce yourself and welcome them into our school community. At this time, you may also answer any questions that your new family has regarding the school calendar, daily procedures, etc.
- Throughout the school year, we ask that you periodically check in with your buddy family to make sure their first year at St. Anne is running smoothly.

Please prayerfully consider joining the Buddy Family Program. If you are willing to serve St. Anne School in this manner, please fill out the information below and return it in your child’s folder by **May 10th**. Thank you.
