Lawn signs announcing the Ministry Fair will be placed around the church grounds and flyers will be handed out to parishioners as they walk into Mass.

Cookies, Donuts, coffee, soda and water will be served.

Round Table/Public Comments:

Mark is in touch with 2 additional companies for the purchase of new projector equipment. He will have 3 estimates by our next meeting.

Pat O'Brien: The Knights of Columbus has allocated money for a Changing Station for both rest rooms. Pat will provide information on the specs and purchase of these Changing Stations to Fr. Pflieger. The cost is \$250 per Changing Station. Pat would like to see these installed prior to the holidays. Mike will check with his contacts on getting them installed.

Anne: SJN was honored for our good works throughout the Diocese of Trenton at the Catholic Charities Guardian Angel Dinner Dance. She expressed her thanks in being able to escort Cathy Hegeman to this event.

Fr. Pflieger: We were given an Altar from the Normandy Beach Parish, a parish that was destroyed in Hurricane Sandy. Father would like to incorporate it into the church, but for now it is located in the parish hall. This is a blessed Altar, please treat it as such.

Our next meeting: Monday, November 21, 2016 at 7:00 PM.
