TREASURES FROM OUR TRADITION

Just two years ago, we engaged in one of the core activities of our democratic system: a presidential election. Actually, the institution of election can be traced to traditions in the Church, and although bishops are no longer chosen in this way, abbots and abbesses (heads of monastic communities) have almost always been elected by full voting members of their communities. The lifetime appointment begins when the monks or nuns are gathered in “chapter” at the death or resignation of the abbot, and fortunately for all involved, campaigning is not allowed! The members of the community discern, with prayer to the Holy Spirit, who among them is the best suited for leadership. Once chosen, the new leader requests the blessing of the local bishop, who usually presides at a ceremony of consecration or investiture. The ballots are always secret, and a simple majority must be achieved.

In our American system the Electoral College is the determining voice in the presidential election, not the popular election on a November Tuesday, just as the monastic chapter is the electorate. Today, most religious orders elect general superiors in “chapter” by delegates of the professed members, and usually for a term of six years. A few, like the Jesuits, elect for life. At least we don't have that weight on our shoulders, when we choose a president. Four years at a time will do!

THANK YOU!

Thank you to all who supported the Wine Tasting Event. A great many people worked behind the scenes to make this happen including those who donated wine, hors d'oeuvres, and silent auction/raffle items. Of course, we are also appreciative of the support of everyone who purchased tickets and attended. Proceeds will go towards the building fund.

GOD'S LAWS

God's laws are not intended to burden or torment us. Instead they are guideposts that point us in the direction of good living. Accordingly, good living requires loving God and loving one another. We should not follow God's laws out of fear of what might happen if we don't, but rather view them as a foundation for building relationships and trust with one another and with God.

The *Shema* prayer of Orthodox Jews is based on the reading from Deuteronomy today, "Hear, O Israel." Every morning people recite the prayer as a profession of their love for God and pledge their obedience to God throughout the day. They pass on their love of God to their children, from one generation to the next.
