

## Parish Picnic September 15, 2109

My Dear Friends,

The Mouton Church Picnic brings back a lot of memories. Many recall with nostalgia the competition at the time - which family would have the first bale of cotton and who would donate something to the Church Picnic after the harvest. What a way for the old folks to give back to God for blessings received. This tradition of giving to the Church from one's resources annually in thanksgiving to God lives on still in Moulton even to today. Our new state of the art Social Center is a visible result of it and its ripple effect is evident in the development projects in the offing in our community. Little Moulton is moving on. You made a difference with your continued generous support of our Church.

Our Picnic is only two weeks away! The figures below speak for themselves. Even though many are making the effort to help we still have ways to go to meet our regular standard. As usual I am counting on your generosity and I know that with your support all will be well.

Thank you.

God bless,

**Fr. Gabriel**
