JOY OF THE FAMILY

AMORIS LAETITIA

Relationships between brothers and sisters deepen with the passing of time, and 'the bond of fraternity that forms in the family between children, if consolidated by an educational atmosphere of openness to others, is a great school of freedom and peace. In the family, we learn how to live as one.' (n. 194)

Who do you treat as a brother or sister? How are these relationships different from others you have? What have you learned about the love and patience of God through your siblings?

PRAYER OF THANKSGIVING FOR FREEDOM

Freedom is enshrined in our US Constitution. The First Amendment of our constitution protects our freedom of speech. However, our speech may not infringe upon another's freedom. Freedom does have its limits. And we must protect everyone's freedoms, not just ours. On this 4th of July, let us remember from whom all our freedoms originate, our good and gracious God.
Let us pray...

God, giver of all good gifts,
Help us to be thankful for rest and food,
and remember that, in all we do or say,
you are with us, here this day.
We are thankful for all you do and for everything you have given us.
But above all we are thankful for our freedoms
and the ability to protect others' freedom.
We are free because of you.
We ask for your continued blessing on all your creation.
