**Catholic Charities 2014 Annual Appeal** - *"Serving With Love!" Julie was a single mother who was without a home and a future plan. While taking care of her dying mother she slowly slipped into homelessness without knowing it was happening. After staying at multiple shelters, she and her daughter arrived at Catholic Charities Holy Family Home where they were met with compassion and love. Because of your generosity through the Annual Appeal, she along with her Catholic Charities case manager created a plan for success. Today she is now enrolled full-time at a local university and her daughter is performing well at school. With plans to work in the financial sector after graduation this spring, there is no doubt that Julie and her daughter have a bright future ahead.*

Your support of the Catholic Charities Annual Appeal makes possible the work of the agency year round and successes like Julies' possible. Please make A GIFT TODAY AT
