

VES FIELDS DISTRICT 8 GET ACTIVE/STAY ACTIVE GRANT

The Vashon Park District was awarded a \$60,000 District 8 Get Active and Stay Active Grant from King County Councilmember Joe McDermott for the installation of a pre-manufactured restroom facility at the VES Fields. The restroom building will contain two separate ADA restroom compartments. Additional funds may provide for a Concession component in keeping with the District's Master Plan. A permanent restroom is a King County permitting requirement, as the present trailer facility has past its temporary status.
