Make-up Lesson Instruction (Grade 8)

To make up a lesson, please complete the following:

- **Step 1-** Refer to the Curriculum Map (in student folder and online <https://www.stsusanna.org/cfp>). Each grade is different, so please make sure you are looking at the correct grade to see the lesson/date that was missed.

- **Step 3 – Student & Parent Discussion:** Parent discusses lesson with their child using the **CHOSEN Parent Guide** booklet.
- **Step 4 – Student completes the Challenge of the Week** section in their **CHOSEN** book and writes reflection on what they learned in space in book (add separate sheet of paper if needed). Show to catechist in class when you return to the next session for them to record.
