

Summer 2019

Dear Incoming Grade 1 & 2 Parents,

Your child has worked very hard and has learned a lot this school year. Summer is a time to take a break from school, but not from learning! We don't want our students to fall victim to the "summer slide" and lose valuable reading skills they have worked so hard to gain this year.

We ask that you help us in encouraging them to keep reading, thinking, and growing by participating in our Summer Reading Challenge.

Please encourage your child to read this summer. Summer reading should be FUN! All you have to do is have your child complete each box of the summer reading challenge. The public library is a great resource to use for this challenge! Please initial the boxes to show your child has completed that reading activity.

Every child who completes the Summer Reading Challenge sheet and returns it to school at the beginning of the new school year will receive a treat!

Happy Summer and Happy Reading!
