

FOR VOLUNTEERS WITH AN ACTIVE VIRTUS® ACCOUNT

Dear Volunteer:

The Diocese of Kansas City-St. Joseph is committed to providing a safe environment for children, youth, and vulnerable adults. The Diocese of Kansas City-St. Joseph requires all volunteers who will be in contact with children/youth 3 or more times in a calendar year, or who will be supervising minors or vulnerable adults, to comply with our safe environment program requirements. These requirements include the following and are documented in a VIRTUS® account:

1. Attendance at a VIRTUS® *Protecting God's Children* workshop
2. Reading & acknowledging commitment to the Diocesan Code of Ethics – *Ethics & Integrity in Ministry* (EIM)
3. Providing consent to a background screening every 5 years with service contingent upon screening results

Since you have already attended a *Protecting God's Children* workshop and have an active VIRTUS® account, please ensure that you have also completed steps #2 and #3 listed above. Your service is contingent upon your screening results. Instructions for doing both are as follows. **Please use a laptop or PC as the process is not fully supported by using a smart phone or tablet such as an iPad.** Note: If your VIRTUS® account is in another diocese, please email ocyp@diocesekcsj.org to request an account transfer.
