Stewardship Corner

The heart grateful to God needs to find a way to express that gratitude, Some ways to do that are through prayer, service, and giving of one's resources.

KNOW IT BEFORE YOU VOTE IT!! Is there a difference between an amendment and a law? Measure 1, the Human Life Amendment, will be on the upcoming ballot in North Dakota. How will you vote? Learn the facts. There will be tables at the front exists and south exit, with information sheets on this amendment that will clearly explain why ND needs this amendment and what it is meant to accomplish. There will also be sign up sheets so you can be kept up to date on this measure. Outside interests groups, pro choice ones, will soon be flooding ND with information meant to distort this Amendment and to confuse the voters. We all need to know the real facts about this amendment. ND needs this amendment to **protect the laws that are already in place** and to stop outside organizations from creating loop holes that will change our pro life laws to pro choice laws. Please pick up the information sheets and **sign up** to stay informed. This way you will know how to vote and you can help others learn how they should vote.

As a young man, the last thing Fr. Joshua Waltz ever thought he would be was a Catholic priest. But a series of choices—some bad and some good—ultimately led him to enter the seminary. In this talk, Fr. Waltz shares an incredible vocation story that involves heartbreak, robbers, Europe, and several miracles—all showing that there is nothing more exciting than a life lived for Jesus Christ.
