PRO-LIFE REFLECTION

Pro-abortion politicians will say to us, "My office does not deal with abortion." But their position on abortion tells us what they think of government: does it protect rights that come from God, or does it give those rights itself? Whether one will vote on abortion is beside the point. Before we cast our vote for our leaders, we need to know what kind of authority they think we are giving them.

Stewardship Thought:

Jesus taught about the dangers of clutching to material possessions and pointed to the real treasures available to us in life.

Vocation Views:

Good and evil together in the world. Pray that good may grow and take root in you like a mustard seed that, when full-grown, is the largest of plants. What are you doing to nurture good in our world? (Matthew 13:24-43)
