Vocation Views

To be cut off from the treasures of the Church is to be cast away from life itself. As the Israelites longed to rebuild the Temple of Jerusalem, so must we long to continue to build up the Church today. (Psalm 137)

Stewardship Thought:

We must look upon others through the eyes of God and find the presence of Jesus in them. When we do this, how easy it is to give of our time, talent and treasure in service to others!

An Introduction to the Theology of the Body

What Is The Meaning and Purpose of My Life? How Do I Find Happiness and Fulfillment? If you're wondering if there's more to life than just "getting by" and are ready to focus on what really matters, then discover the extraordinary Catholic teaching known as the Theology of the Body. It will give you a revolutionary and fulfilling vision for life, as it offers a new way to authentically see yourself, your faith, your relationships, and your world. Given to us by Pope John Paul II, the Theology of the Body is renewing marriages, awakening vocations, healing deep personal wounds, and setting people free to live the life of greatness to which we are all called. In *An Introduction to the Theology of the Body: Discovering the Master Plan For Your Life*, an adult faith formation program, renowned author and theologian Christopher West unfolds God's extraordinary plan for all of humanity. If you desire to live out the fullest meaning and purpose of your life, then join us for this amazing discovery! This DVD series will be held on Saturday, April 21 from 8:30 AM to 3:00 PM at St. Mary's Parish in Bismarck, ND. The cost is only \$10 plus \$15 if you would like to order the workbook.
