

Genesis to Jesus Bible Study, 2019

We will be offering the video-based Bible study by Dr. Scott Hahn every other Sunday evening beginning June 23 (Corpus Christi) and ending December 8 (Immaculate Conception). This schedule skips Sundays of holiday weekends.

Sessions will last about an hour, will begin at 6:30 PM and held in the RSM school media center. We'll enter through the west (office) door of the middle school/high school building, so park on the west side of school.

There are two optional books; a book by Dr. Hahn (around \$4) on Biblical covenants and a participant book (around \$20). Both are optional. We hope to have extras available for those who may join the study late.

[You can read more about the Bible Study here.](#) Generally there is a half hour video, a half hour discussion, and suggested readings from the Bible and Dr. Hahn's book on Biblical covenants.

For anyone who needs a Bible, [we are recommending the Great Adventure Bible](#). We hope to use the Great Adventure Bible series training more and more in our parishes and schools; thus, it would be beneficial to buy this Bible should you need one.

Please contact Dn. Roder (roderr@rsmschools.org; 712.540.3100) if you wish to join the study or have questions.
