**Reflection**

We are on a long and eventful journey. Today’s readings for Trinity Sunday succinctly cover the depth and breadth of our human travels. The very beginnings of our journey are revealed in the reading from Proverbs. God’s plan filled with divine wisdom was born before the earth was made. In today’s Gospel, Jesus speaks of his own personal journey. He has come from the Father and will return to the Father. Only then will the Advocate - the Spirit of Truth - take us onward. This does not diminish the fact that the journey will be hard. The very setting of the Gospel is the night before Jesus died. As St. Paul writes to the Romans, “We even boast of our afflictions, knowing that affliction produces endurance, and endurance, proven character, and proven character, hope” (Romans 5:3-4)

Ultimately, our human journey is modeled by the Holy Trinity - a family of love among Father, Son and Spirit that we are called to emulate.
