### **Student Leaders Newsletter**

March has gone by in the blink of an eye. As sponsors, we cannot be more proud of our student leaders and the organization they lead. They are all morphing into such responsible, self sufficient and self starting young adults.

Our Yearbook staff has been working on their writing and interview skills, National Honor Society continues to shine as leaders to the student body, and our Student Council just won sweepstakes for their project reports in the Texas Association of Student Councils for District 19. As advisors, one of the biggest rewards is watching our leaders learn, earn, and achieve.

We hope you enjoy the read!

Sincerely,

# Student Council

**Grayson Young**

STUDENT COUNCIL PRESIDENT

Dear SACBS community:

Student Council has worked super hard in the month of February. With Heart Health Month, Tubes for Teachers, and Kindness Week - just to name a few. In March, we will continue collecting soda can tabs which we will donate to the Ronald McDonald House. We are starting a new Student Council reporting year, and are working hard to come up with fresh projects.

Earlier this week, Student Council attended the Texas Association of Student District 17 Spring Convention where we submitted our 5 project reports, and presented different projects to other student councils in our TASC district. In the end all that hard work paid off. The council and I were on the edge of our seats when our district officers announced that we had earned sweepstakes at the convention. I can't begin to describe how proud and honored I felt in that moment.

For reports, our chairmen, Vice President, and I, came in on the weekends to complete our reports, as well as to make sure they were accurate.

I am truly blessed to have my council, and can't wait to see what's to come for us in the future.

Sincerely,  
**Grayson Young**

# NATIONAL JUNIOR HONOR SOCIETY

**Elizabeth Drago**  
NJHS PRESIDENT

Dear SACBS community:

NJHS would like to remind you to keep submitting nominations for the St. Mother Teresa of Calcutta award. Anyone may nominate students, teachers, and faculty who are deserving of this award.

National Junior Honor Society is a very hard organization to be inducted into. All students that get inducted into this chapter show leadership skills while maintaining a 95 or higher GPA. NJHS induction will be held sometime in April or early May. We would like to remind all sixth graders to continue working hard to be able to qualify for this organization next year. We also want to let all seventh graders know that they are able to still become members next year.

Sincerely,  
**Elizabeth Drago**

# YEARBOOK

**Kathryn Barboza**

YEARBOOK EDITOR-IN-CHIEF

Dear SACBS community:

Hey everyone! February has come and gone by fast with many great events such as Theme Days, Valentine's Day Dance, Kindness Week, and the Pack 779 Pinewood Derby – just to name a few.

With many great events comes many great pictures. We have made sure to be there, so that these memories can be captured and recorded.

Along with recording photos, we are getting started on telling our stories for the school year. Our staff is working hard to set up interviews with club advisors, coaches, and students/student athletes who are involved around the school.

We have had a great year so far with many amazing photo opportunities. I can't wait to see what is to come in March.

Sincerely,  
**Kathryn Barboza**
