Freedom: A well-rounded school gives students freedom to recognize their capabilities and individual potentials. Something as simple as putting toys away or helping set placements for snack time can build good character that will last a lifetime. At the Day School, we foster an atmosphere where thinking, questioning, and imagining are encouraged while enhancing understanding, empathy, and communication skills. Preschool is your students' introduction into the education system; while it is fun and engaging for the children it is an important responsibility for both parents and teachers. Holy Family Day School accepts students age 2 1/2 (toilet trained) through Kindergarten. With Freedom comes knowledge, and with knowledge comes understanding. We will work to engage your children in a warm, caring, structured environment to help them understand how important they are in the world.

Currently, We Have Openings for 2½-Young 3's Classes and Our Older 3 Year Tuesday/Thursday! If you have any questions or would like to take a tour of our school, please call 481-1180. Helpful information can be found on our website at www.holyfamilydayschool.org.

Do You Know What Your Elementary School Student is Doing After School? Holy Family Day School has a great program limited to 20 students for after school care. Students attending John B. Dey, Trantwood, or Alanton Elementary school may ride a VBCPS bus to Holy Family. The program is structured to include playground time, snack time, homework time, centers, and other activities.

Box Tops For Education: Box Top collection is a year-round program and we are so pleased with the excellent response to this fund raiser for the school. The box outside the Chapel is the place to drop off your collection.

The New Evangelization – The Holy Family

We need to remember that the domestic churches of our families share in the great vocation of the Holy Family. It is a vocation that is hidden as the life of Jesus, Mary and Joseph was lived quietly and behind the scenes for nearly 30 years in Nazareth.

The hidden life of the Holy Family is a message to us, that in the ordinary realities of family life, God's magnificent plan for history is brought down to earth.

The challenge for our families is to keep the right perspective. We need to have faith that the little things – taking the kids to church and to confession, saying prayers at bedtime, the humble everyday acts of kindness and sacrifice – are all vital to the Church's mission, are all part of God's plan.

Archbishop Jose Gomez, Archbishop of Los Angeles

FALL CALENDAR INPUTS DUE: We are now planning for the Church's Fall Calendar that will cover from Labor Day, September 7, through the First Sunday of Advent, November 29. If you or your group desire to use church spaces during this period, and have not already done so, please be sure to submit your needs to Carla, our Parish Secretary, by Monday, August 17. This applies to everyone who meets in our building. Thank you.

What's NEW in HAITI?

Monthly update from the
Church of the Holy Family Haiti Committee

- The Haiti committee would like to welcome Shaula McGovern and Ruthie Forehand to the Haiti ministry. Shaula is an English Teacher at Cox High School and Ruthie is a Nurse Practitioner. Both credit their interest in Haiti to the memory of Larry McGovern.
- The Holy Family Committee has extended the water pipeline to the new clinic in Baptiste, Haiti. The water is now flowing. The walls and roof of the clinic are also complete. The committee looks forward to sharing more information about the clinic soon.
- Congratulations to sixteen teachers from Baptiste, Haiti, who will graduate on August 20th from a three-year teaching program. These teachers are all sponsored by The Church of the Holy Family.

- Wednesday July 22, 2015, Monsieur Simon Pierre Saint-Hillen (64), Bishop of Hinch, Haiti, died of cancer. The Haiti committee members consider him a friend and are saddened by his passing. May his soul rest (Sit tibi terra levis).
- The next Haiti Committee meeting is 6:00 p.m., August 11, at the Church of the Holy Family. All are welcome. This meeting is our annual planning meeting for 2016. If you have any questions or concerns, please contact Alfie Coyle. PA1@holyfamilyvb.org.

The water pipeline, designed and maintained by Holy Family, was completed in 2009. Spanning over 12,000 feet over mountainous terrain, the pipeline serves more than 10,000 Haitian citizens. Check out holyfamilyvbhaiti.com to learn more.

Singing at Mass in August: SUMMER SCHOLA on August 8 at the 5:30 p.m. Mass and August 16 at the 10:30 a.m. Mass.

Keep your eyes on this column: Each week in August, you'll read about another way to sing, ring, or play music for the Lord at Holy Family!

Summer Schola is our Summer Choir for singers who like to learn their parts on their own time and come in to rehearse an hour before Mass. Music is given out a week or more in advance. Even with summer travels and houseguests, these faithful singers have sung at all three Masses at least once this summer. They sing through the last weekend of August. If you're a music-reading singer and would like to join Summer Schola, see Sylvia at the piano bench after Mass.

Revelation: The Kingdom Yet to Come

Revelation is the first "ongoing" study in *The Great Adventure* Bible Study Program. In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins explores *Revelation* to demonstrate how the kingdom established by Christ in His Church is intimately connected with the kingdom of heaven, especially through the celebration of the Mass.

Join us for *Revelation: The Kingdom Yet to Come* beginning **September 27**. We will be offering this program between the Masses on Sunday mornings (9:30-10:45 a.m.) and on Monday evenings at 7:00 p.m. beginning September 28. To register for the study, please complete a registration form found on the parish website or in the family room. Please contact Tiffany at DRE@holyfamilyvb.org with any questions.

(Blessed Pope Pius IX)

Please join us in the **Rosary every Wednesday evening at 6:30 p.m.** in the Chapel. The Rosary is also recited **every morning after daily Mass.**

On Friday mornings, the Patriotic Rosary is recited and we pray for all the men and women in the military.

Representing the Virginia Catholic Bishops and their
Dioceses in Public Policy Matters

Join Bishop DiLorenzo and experts in Norfolk to talk about "Laudato Si," Pope Francis' encyclical on ecology, and how it applies to environmental issues facing the Tidewater area on Tuesday, August 25, at 7:00 p.m., at Sacred Heart Parish, Norfolk. "Praised Be: How Pope Francis' Encyclical Speaks to Tidewater's Looming Environmental Crisis – A Symposium of Church, Military, Scientific, and Community Leaders" is co-sponsored by the [Virginia Catholic Conference](#), the [Diocese of Richmond](#)'s Office of Social Ministry and [Catholic Climate Covenant](#). Register at vacatholic.org.

"CARE FOR OUR EARTH"

In paragraph 14 of Chapter one of "Laudato Si, mi Signore" the Pope writes "Obstructionist attitudes, even on the part of believers, can range from denial or doubt of the problem to indifference or blind confidence in technical solutions." The Pope also made some strong remarks to those who are promoting this attitude of doubt and denial of climate change. Their efforts have influenced a large portion of people. Seeking to counteract these tactics to misinform people, the Union of Concerned Scientists has drawn upon evidence derived from 85 documents that were obtained by leaks, lawsuits and other means. Spanning 3 decades, these documents reveal that the world's largest fossil fuel companies were fully aware of the reality of climate change but continued to spend tens of millions of dollars to sow doubt and promote contrarian arguments they know to be wrong. The collected documents reveal a variety of deceitful tactics such as secretly funding purportedly independent scientists and even forging letters from nonprofit groups to try to influence members of Congress. Doubters and deniers of climate change having this misinformation can sound pretty convincing with their arguments. Hopefully, those of us who believe in climate change being human activated stand firm in this belief and those who doubt or deny it search into it more carefully.
