Archdiocesan Feasibility Study –
Archbishop Gustavo García-Siller, M.Sp.S.
Wants Your Feedback!

The Archdiocese of San Antonio will be conducting a feasibility study throughout the summer, and Archbishop Gustavo would like to hear from you. The study will gather feedback on a potential Archdiocesan-wide capital campaign, and high participation is needed so that Archbishop can make informed decisions on whether to move forward.

The Steier Group, a Catholic development and fundraising firm out of Omaha, Nebraska, has been hired to conduct the study, which will begin in June and end in August. Potential campaign elements to be addressed include investing in our schools, growing our campus ministries and young adult programs, funding our increasing number of vocations to the priesthood and diaconate, expanding our evangelization efforts, enhancing our programs for the poor and marginalized, and most importantly, ensuring that each of our parishes is strong and vibrant.

Parishioners will have access to a fact sheet that details all of the identified needs and will be asked to respond in a variety of ways. Some people will be personally interviewed, or you will have the option to mail in a survey, go online to answer questions, and/or attend a town hall meeting at a local parish.

There will be regular updates in our bulletin throughout the survey with more information on how you can participate. Stay tuned!
