April is Child Abuse Prevention Month

Every adult has a moral responsibility to report suspected child abuse. In Kentucky, state law requires that any person who knows or has reasonable cause to believe that a child is neglected or abused must immediately report the abuse. Sexual abuse of minors is a pervasive societal problem, and only concerted and sustained efforts by all adults in every segment of society can help to protect children and youth. Report suspected abuse. Call the toll-free Kentucky Child Abuse Hotline at 877-KYSAFE1 (877-597-2331) or see www.archlou.org/report for a list of reporting contacts organized by county.
