Describe two strengths you possess in relating positively to others.

What is the Youth Leadership/Core Team? What do you think being a part of the YLT/Core team means?

What are some goals you might have for yourself on the YLT/Core team this year?

I am very grateful that you would consider and commit to the Youth Leadership Core Team. May God bless you and may you continue in keeping your heart and mind fixed on Jesus!

In Christ,
Mary Nowakowski
