November 16: International Day of Tolerance

This year, Development and Peace – Caritas Canada invites you to spread a culture of encounter by sharing the journey of migrants, including those forcibly displaced.

As Cardinal Luis Antonio Tagle, President of Caritas Internationalis, emphasizes, "We do not necessarily need to do extraordinary and extravagant things to make a difference in the lives of people. Small gestures,

ordinary gestures, when done with sincerity, with the light of human understanding and compassion, can do extraordinary things." Take the time to truly encounter migrants and refugees and through this experience you will also encounter Jesus. Join us in the *Share the Journey* campaign!
